Testimonial

Dear, John

When my mother phoned me under great stress, as she had no hot water. Which for an 82 year old single women this is a major problem.

My first words were "mother don't worry I know a man for the job". When I phoned John one early morning I did not expect his reply, "I will be there in half an hour". He kept to his word done an excellent job and left a venerable elderly lady singing his praises.

I would like to thank John for his professionalism and efficiency. I would not think twice in recommending him in the future.

Yours Sincerely
